The Aqua Star Pool at The Beverly Hilton

In addition to being the annual home to HBO's blow-out Golden Globes bash, the Aqua Star Pool at The Beverly Hilton has some personalized celebrity moments. The pool was inaugurated by film star and competitive swimmer Esther Williams, who swam through white gardenias in 1955 during its opening. And many may remember Angelina Jolie's star-making moment during (and after) the 1999 Golden Globe Awards, when, after winning Best Performance by an Actress for *Gia*, took a post-swim in the pool while wearing her Globes gown.
