TRAVEL GUIDE

## INTERNATIONAL COLLECTION

The International Collection pays tribute to its namesake with three world-renowned event spaces accommodating up to 1,400 guests. Equipped with supreme lighting controls (HOG iPC Console with Wholehog 3 lighting systems - Martin Mac 2000 Series), unrivaled sound systems (Meyer Sound Ultra, M Series Loudspeaker Arrays, and Yamaha PM5D Digital Mixing Console), and a high-definition projector (Christie HD Series). The International Ballroom features more than \$5 million in audiovisual technology and fiber-optic distribution capabilities

## BEVERLY HILLS COLLECTION

The Beverly Hills Collection features 4 meeting spaces in addition to two ballrooms. The Collection is equipped with built-in audio visual lighting, sound and fiber-optic capability to send video and audio to any room in hotel or live broadcast.

## THE GARDEN COLLECTION

The Gardens are the newest addition to The Beverly Hilton's event space. This unique urban oasis is designed to emphasize a seamless indoor/outdoor event experience, providing the perfect setting for every type of gathering, from weddings to corporate events. The Collection is comprised of two distinctive settings – the larger of the two being the Wilshire Garden and the connecting Secret Garden.

## EXECUTIVE MEETING CENTER

Consists 12 technologically-advanced breakout rooms opening onto a single corridor, allowing for smooth transitions from meetings. Each room contains the following features: 8-ft. ceiling mounted and motorized projection drop down screen and high lumen LCD projector, white board, individually climate controlled, built-in registration desk, dual house sound systems for both microphone and line level audio, accessible to independent loading dock and direct access to Oasis Courtyard for outdoor meal and break options.

## STARDUST PENTHOUSE

The Stardust Penthouse exudes the legendary luxury and modern elegance found at The Beverly Hilton. The Stardust features a large terrace with 360 degree views of the city, a built-in stage with dance floor, house sound system, table pin lighting, full-service kitchen and excellent audiovisual capabilities.
